# Our Own Products

Leila's products are 100% natural and hand crafted with love, care and attention. From aloe vera products harvested from the gardens to balms and Ayurvedic products made with beeswax and hand-ground spices, to massage oils with essential oils. All our products are made with no preservatives, no chemicals, no alcohol and no industrial processing.

Please ask Leila after your treatment if you like to purchase any of the products used during your treatment.

Leila, a qualified aromatherapist for over 20 years, makes all the massage oils used in our treatments. Available to you in flight-friendly 100ml size or larger 250ml. Made especially for you either after your treatment or collect later.
